[REDACTED] the Conservatives and the  
 Liberal Independents have accepted a pact for the temporary restoration of  
 President Arguello pending future electoral settlement. It is reported that  
 the pact is now ready for Arguello's signature, but that Somoza, in an effort  
 to forestall the move, is keeping visitors and messengers from seeing Arguello  
 at the Mexican Embassy. Conservative leaders, it is added, expect arrest and  
 are going into hiding.
